ISHC & CIHE 19\_PR3\_Eng

**ISH China & CIHE is ready to open its doors next week at the New China International Exhibition Center in Beijing, running from 6 – 8 May. As the leading HVAC trade event in Asia, the fair will play host to around 1,300 exhibitors across 116,000 sqm of exhibition space. Last year, 70,202 visitors attended the fair.**

Visitors to the fair can expect to see the latest products and technologies from leading overseas brands, while many domestic suppliers, driven by eco-friendly policies in China, will showcase their latest innovations designed with environmental protection in mind. The full product spectrum on offer at ISH China & CIHE includes boilers & wall-hung boilers, burners, water heaters, electric heaters, water pumps, heat pumps, radiators, valves, pipes & fittings, control systems, cooling & heating systems, as well as products for floor heating, air-conditioning, fresh air, air purification, water purification, intelligent households, renewable energy and more.

## Fair highlights at a glance

- **New Floor Cooling & Heating System Display Area** in hall E4 which will include a live demonstration room
- Debut **Clean Energy District Heating Area** in hall W3 showcasing district heating and intelligent heating solutions
- **Water Pump Zone** featuring renowned worldwide water pump exhibitors in hall W1
- **Overseas Area** in halls E1 and W2 promoting global HVAC technologies
- **German Pavilion** presenting advanced HVAC solutions in hall E2

## Leading international and Chinese brands feature this edition

In the Overseas Area, the likes of Ametek, Bode, Boilermag, Bowers Eclipse, Caleffi, Cewal, Cofi, Condevo, Cordivari, Giulinai, Groppalli, Heatmiser, Kane, KMC, Madas, Nordgas, Pedorollo, Polidoro, Pres Block, Sermeta, Shinwoo Valve, Solin, Spirotech, Tubedeluca, Unidelta, Varem, Vexve, Wellhausen and Zero feature in halls E1 and W2. ### **Concurrent events add to experience of exhibitors and visitors**

In response to a series of national policies and initiatives tackling air pollution, the fair will host the Clean Heating Development Summit, inviting industry experts from around the world to explore the future of clean energy heating. This summit is part of the China International HVAC Congress (iHVAC), which will also feature six forums:

- Technical Forum of Electric Heating Development in Northern China
- Solar Heating Forum
- Fresh Air Systems
- Home Comfort Systems and HVAC & BIM Technology Forum
- Innovative and Smart Heating Technologies Forum
- Air Source Heat Pump Heating Technologies

In addition, events for floor cooling & heating systems and clean energy heating will also take place. Details of all concurrent events can be found here: <https://ishc-cihe.hk.messefrankfurt.com/beijing/en/programme-events.html>.

ISH China & CIHE is organised by Messe Frankfurt (Shanghai) Co Ltd and CIEC GL events (Beijing) International Exhibition Co Ltd. It is headed by the biennial ISH event in Frankfurt, Germany, the world's leading trade fair for HVAC + Water which will next take place from 22 – 26 March 2021. For more information, please visit [www.ish.messefrankfurt.com](http://www.ish.messefrankfurt.com).

A further ISH event in China, ISH Shanghai & CIHE, will be held from 3 – 5 September 2019 at the Shanghai New International Expo Centre. For more information about ISH China & CIHE and ISH Shanghai & CIHE, please visit [www.ishc-cihe.hk.messefrankfurt.com](http://www.ishc-cihe.hk.messefrankfurt.com).

**Background information on Messe Frankfurt**

Messe Frankfurt is the world's largest trade fair, congress and event organiser with its own exhibition grounds. With more than 2,500\* employees at 30 locations, the company generates annual sales of around €715\* million. Thanks to its far-reaching ties with the relevant sectors and to its international sales network, the Group looks after the business interests of its customers effectively. A comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organising and running their events. The wide range of services includes renting exhibition grounds, trade fair construction and marketing, personnel and food services. With its headquarters in Frankfurt am Main, the company is owned by the City of Frankfurt (60 percent) and the State of Hesse (40 percent).
